

## Prayers for the Nation

2 Chronicles 7:14 If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

The call is not to the world to turn from their wicked ways, the call is not to a political party, the call is to God's people. We are the only ones who can usher in God's promise and provision of healing for our land.

There's only one pathway for healing our land...it's through God's people humbling themselves, praying, turning their face towards God's face and away from all the wicked ways.

God's promises don't automatically show up in our lives...He can only intervene when we give him permission by coming into agreement with His Word.

Praying God's healing into this land and asking everyone who calls themselves "God's people" to join with me.

Here are some verses you can pray if it helps you to have a guide, and I encourage you to also pray in the Spirit. It's not about how long you pray, but about what you pray, so even if you only have a few minutes, know that your prayers as a righteous child of a God are powerful and effective (James 5:16). As Mark 11:22-24 says, "Have faith in God...whatever you ask for in prayer, believe that you HAVE RECEIVED it (past tense -- all the promises of God are already yes and Amen to us in Christ according to 2 Cor 1:20). God just needs His people to believe they have received and speak out His promises unto the earth so that they become experienced realities.
